

Biofeedback & Neurofeedback Community Nijmegen

Meeting

9 October 2025

Background

Outcome of kick-off meeting

- **Focus meetings on multiple kinds of content**
 - Present/discuss specific studies in preparation phase
 - Cover problems/discussions/developments in the field
 - Share practical tips/experiences
- **Incorporate broader expertise**
 - Previous BCI/NF expertise at RU
 - Other relevant research (e.g. on BCI or wearables)
 - *Create an online knowledge base*
- **Increase our visibility on campus and beyond**
- **Think about additional funding**
